www.coastfestival.com

Thank you for your interest and support of the Festival.

Festival 2011

As we gear up for Festival, we are sending out appeals for donations. Coast businesses and residents have supported and encouraged Festival for 37 years. We want to continue this community effort to support our youth and performing arts. We'll continue with financial awards.

We welcome your help with Festival events. Can you be on the door, take donations or help the adjudicator? It's fun! Please contact us if you can help.

Festival Update

A reminder to teachers: please check Festival entries. The Festival program has been completed. Easter is late in 2011, from April 22 - 24. Our Festival accommodates an Easter break with a short second week. We'll keep you posted!

The Festival schedule is on our website: www.coastfestival.com

Trophies: We ask that any of you who have trophies, to please return them to the discipline chairs. (See list at left).

Festival Program

Our 2011 Festival program is ready and will be available at the usual places and on our web site.

It will be at the following places: Sew Much More, Gibsons; Coast Princess Books, Gibsons; MELomania, Roberts Creek; Talewind Books, Sechelt and Miss Sunny's Hair Boutique, Madeira Park.

As well, there is one reference copy in each of the libraries, Gibsons, Roberts Creek and Sechelt.

The program also will be posted on our website at www.coastfestival.com/

Board Update

We extend a hearty welcome to Robbert Visscher, who is our new treasurer and newest member of the board of directors. Robert moved to the Coast four years ago and joined the Suncoast Singers. An accountant, he is CFO for a technology startup company in Vancouver called Emergent Energy.

We regret to report that Anne Bourns is resigning from the board due to personal reasons. She has been the piano discipline chair for three years. Thank you, Anne, for all your work on behalf of Festival.
